

## Proposal Procedure for Single Honor

In order to apply for enrollment in a section of AAAS 495 (Fall 2021), the first of two semesters of the Senior Honors Thesis Program leading to the Graduation with Distinction (GwD), the student will write and submit a two-page proposal of the thesis project along with a bibliography of no more than one page to a Prospective Thesis Advisor holding an appointment in the Department of African & African American Studies no later than **March 1 of the junior year**.

- NOTE: Ideally, students applying for GwD in AAAS should have completed two or more classes with faculty holding appointments in the Department of African & African American Studies. Additionally, it is strongly recommended that the student applicant have completed at least one seminar class with, and have written at least one term paper for, the Prospective Advisor.

Once the Prospective Advisor receives the proposal, they will assess:

- a. The suitability of the proposed project for an **Honors Thesis leading toward the Graduation with Distinction** within the major in African & African American Studies;
- b. The applicant's readiness for the proposed project based on the student's prior academic work and the quality of the proposal;
- c. Their own availability to provide supervision of the project during the academic year.

Accordingly, the Prospective Advisor will provide a signed letter in support (on official letterhead) of your application, or will reject the application.

Once the student receives the letter of support from the Prospective Advisor, they will submit the following via email attachment to DUSA, Wilhelmina Green, at [wrg8@duke.edu](mailto:wrg8@duke.edu) no later than **April 15<sup>th</sup> of the junior year**.

- Application form
- Written thesis proposal (1-2 pages)
- Bibliography
- Signed letter of support from Prospective Thesis Advisor

All complete applications will then be reviewed for final approval by the Director of Undergraduate Studies (DUS). The student will be informed via email of the DUS's decision to permit or decline enrollment to the Senior Honors Program no later than **April 30<sup>th</sup> of the junior year**.
